NEW COMPANY ARRIVES AT PALO DURO PARK

MORE JOBS APPROVED

INCREASE IN QUOTA GIVES MORE WORKERS

Unemployed May Register Here at Once For Jobs

PROJECTS APPROVED

All Men on Rolls Will Be Put to Work Monday

Employment of more men was authorized Tuesday by Lawrence Westbrook for the approved projects in Randall County.

The quota given the county last week was only 121. This number was increased Saturday to 157. Tuesday authority was received to put all registered men to work. Up to that time 257 men had registered, and all will be given jobs starting Monday if the last order is not modified.

The County Relief Board has requested a still larger quota owing to the large number of farmers who need work, and have not yet registered.

Men in the county who are unemployed and have not registered for work, may do so at once.

Judge S. B. Orton took a number of projects to Austin last week, which were given preliminary approval, but authority for which has not yet been received. These projects will be started just as soon as final authority is received. However, the urgent need of completing the road to the Palo Duro State Park will demand all of the men available for some time to come.

The widening of Fourth Avenue from the square past the Museum building is the largest project in Canyon which was considered at Austin and was given first approval. This project is considered of very great importance owing to the heavy traffic on the street.

Dairymen To Name New Officers At Meeting Dec. 15

The Randall County Dairymen's Association met at the County Agent's office Tuesday night. This was the last regular monthly meeting of the year.

A special meeting will be called for Friday, Dec. 15, at 7:30 p. m., for the purpose of electing officers for the year 1934; the selection of the 1934 T. B. Test committee and a review of the milk market situation by the marketing committee.

Other matters of interest to all dairymen will be discussed. A refreshment committee for the special meeting was appointed by the president at the regular meeting Tuesday night.

Used Toys Needed for Christmas Gifts

Palo Duro Post to Gather Toys For Needy Children

A campaign to collect toys during the coming week has been started by the ex-service men of the Palo Duro Post. The toys will be reconditioned and ready for distribution to the needy families of the town and county a few days before Christmas.

A large number of ex-service men attended the meeting Friday at the Legion Hall when plans were completed with the Christmas drive for toys, and arrangements were made for the Farley-Mantell show given Tuesday night at the Burton Gymnasium.

Toys may be turned over to any member of the Legion, or taken to the Legion club house where they will be received by Mrs. Boling.

A number of men at the Palo Duro State Park have volunteered to assist in reconditioning the toys. The manual training departments of the high school and College will work on this project. It is hoped that all toys will be turned in before Friday, Dec. 15.

A Christmas program is being planned by the Legion a few days before Christmas, to which all of the poor children of the community will be invited.

Funeral Services Held For Mrs. S. A. Shotwell Wed.

Mrs. S. A. Shotwell died Tuesday morning at 1 o'clock at the family home in the west part of Canyon following an illness of several months. The funeral services were held yesterday afternoon at 2:30 o'clock at the Methodist Church, conducted by the pastor, Rev. J. O. Quattlebaum.

Mrs. Shotwell was born August 29, 1857, having reached the age of 76 years, 3 months and 6 days at the time of her death. The family has lived in Canyon for 42 years. She is survived by her husband and ten children, five sons and five daughters.

The sons are Saron A. Shotwell of Los Angeles, R. L. Shotwell, P. E. Shotwell of Breckenridge, Hugh Shotwell of Perryton, F. W. Shotwell of Canyon. The daughters are Mrs. W. A. Evans of Amarillo, Mrs. Ed Emy of Amarillo, Mrs. W. J. Hill of Amarillo, Mrs. M. R. Leatherman of Dallas, Mrs. W. H. Carr of Hereford.

Active pall bearers were: J. H. Lisle, W. H. Stroud, G. G. Foster, Oscar Gamble, J. M. Redfearn, Oscar Hunt. Honorary pall bearers were J. D. Gamble, R. W. Foster, John Knight, K. A. Britt, Geo. Jones, I. C. Jenkins, A. M. Smith, O. I. Smith, J. C. Pipkin, T. C. Thompson, Dr. F. M. Wilson, C. R. Burrow, W. W. Kirkpatrick.

DATES TENTATIVE

Desire to Know Schools in Which Graduates Are Working

Beginning this week members of the faculty of the West Texas State Teachers College will begin a school visiting schedule which will include trips to a majority of the schools in the Panhandle. The purpose of these visits is to acquaint the college faculty and the administration with conditions in the public schools to which graduates of this school go or have gone.

Many of the dates scheduled are tentative but the program as it stands is as follows, showing faculty members who will visit, the schools to be visited and the departments which will receive special attention:

Schedule

Nov. 26 to Dec. 2—Mr. Condron, Tulia, Civics. Mrs. G. Green, Miss H. Hickman to Perryton, English, Deaning and Physical Education.

Dec. 3 to 8—L. S. Baker, Panhandle, Biology and other science. Miss M. Wiley, Dalhart, high school English. Miss P. Brigham, Amarillo, high school music, Dec. 6. H. Coffee, Hereford, social science or music. M. M. Richardson, Borger, English, Dec. 8.

SANTA DOES A RUSHING BUSINESS

FOURTH GROUP OF CCC MEN IS ADDED TO CAMP

Comes From Colorado to Work on State Park

MANY VISITORS

Road Into Palo Duro Attracts Thousands of Visitors

Company 1821 arrived Saturday from Sargon, Colo., and moved to the new barracks at the Palo Duro State Park where it joined the three companies of CCC workers who have been stationed here since July. The Palo Duro camp is by far the largest in the United States, and is believed to have the largest assigned in its constructive building program.

The new company is under command of Captain Raymond F. Edwards.

The force of carpenters under the direction of E. W. Cabe was reduced to a dozen the first of this week, and will probably finish all of the construction within ten days. Major J. A. Watson, commanding officer, is directing a number of improvement jobs which will make the camp uniform in construction, and more comfortable for the men during the winter months.

Supt. S. O. Miller put 100 men of the new company to work on the roads Monday morning. A large force of men is still working on the road into the Palo Duro, while another force has been started to building the scenic drive at the entrance of the Park. Mr. Miller expressed great appreciation yesterday of the work which the men are doing. He has rather complete

Eight Men Arrested on Drunken Charges; Four on Automobile

Liquor charges were filed over the week end against eight men. Two negroes at the Palo Duro State Park are being held on the charge of possession of liquor. They are Sylvester Williams and Charlie Williams. Another negro from the camp, Joe Wiley, was charged with being drunk.

J. L. McClendon, James Craun, J. A. Woods, E. H. Smith and William Stice were charged with drunkenness.

Elmer Linton was charged on a truck case.

Palmer Thomas is in jail charged with operating an automobile with excessive noise. Raymond Stallings and Melvin Eastwood were arrested at the same time, and their cases transferred to juvenile court.

Miss Jewell Faulkner of Munday was here to spend Thanksgiving at the parental F. M. Faulkner home.

Mr. and Mrs. Adrian Carruth of Olton spent Thanksgiving with Mr. and Mrs. Aubrey Fox, and Mr. and Mrs. Irby Carruth.

Complaint Blanks Ready For Violation of NRA

Any person wanting to file a complaint regarding any violation of the President's Re-employment Agreement of NRA codes may obtain blanks for that purpose at the Post Office.

Complaints must be in writing and signed by the person alleging the violation on the part of any firm or employer.

After the blanks have been filled out by the person making the complaint they may be filed with the Canyon NRA Complaint Board composed of Fred E. Wortham, W. I. Gamewell, J. H. Cox, Jr., C. L. Thompson, Dan Sanders, W. L. Smith, and Mrs. Travis Shaw.

Progress Shown On Road To Palo Duro

Amarillo Force Was Cut For Week—Ask for More Trucks

In spite of the fact that Amarillo cut the force by 150 men on the highway from Canyon east to the Palo Duro State Park, good progress has been made this week, according to Resident Engineer, E. H. Gohmert. According to information received Tuesday, it looks possible now that the largest crew so far used will be on the job next Monday. From 150 to 170 Canyon men have been working daily, while from 300 to 350 Amarillo men have been employed.

If working orders remain thru the week as indications were yesterday, many more Canyon men who wish highway work will be started the first of next week. The new work order seems to include all of the counties which are in the drouth stricken district, for which a special appropriation was made by the President. Mr. Gohmert indicates that 600 or 700 men could be profitably used on the road.

Twenty more trucks have been requested for this road, which Mr. Gohmert hopes to put to work by Monday.

Plans have been drawn for the bridge over the Tierra Blanca, and a contract will probably be let this month by the State Highway Commission. The other concrete structures necessary for this road will be let at the same time.

Wheat Contracts Go to Washington Office

Work of Allotment Committee Is Practically Completed

Wheat contracts for 624 farmers of Randall county were shipped Thursday by air express to Washington. The balance of the contracts are ready to go, a number having been delayed for various reasons from the shipment made last week.

While it is impossible to say at this time just when the checks will be returned to the farmers, the county allotment committee has every reason to believe that the money will be received by Christmas.

The list of farmers who have signed contracts has been compiled, but not in time for publication in this issue of the News. The list will be published next week.

County Agent W. H. Upchurch states that the work of the local committee has been practically closed until an inspector is appointed after the first of the year. The inspector will be charged with the duty to see that every farmer does not exceed the number of acres which has been alloted to him by the authorities.

Randall county came through the campaign in excellent condition, according to those close in contact with the campaign.

THE GOVERNOR'S RACE

Things have been happening in Texas politics the past week, largely centered around the Governor's campaign.

Mrs. Ferguson announces that she will not run again.

C. C. McDonald, Ferguson friend and close political follower, announces that he will be the Ferguson standard-bearer.

Tom Hunter says that he is writing his platform.

Senator Clint C. Small announced Saturday that he would be in the race.

Lieutenant Governor Edgar Witt is expected to announce very soon.

Attorney General Jimmie Allred is expected to announce on Dec. 15th.

Speaker Coke Stevenson is trying to decide whether or not to make the race. He recently said he would not run if both Mrs. Ferguson and Allred announced.

Others will likely join in the fight about the first of January.

Withdrawal of Mrs. Ferguson came as a distinct surprise. James E. Ferguson has made no comment, which leads political observers to believe that he will be a candidate against Senator Tom Connally. The announcement of McDonald came as a result of recent announcements from the Fergusons that McDonald would be their choice if they did not ask for re-election. Whether Ferguson will be able to swing his vest-pocket vote to McDonald or not yet remains to be seen.

Of all the candidates in the field, The News does not hesitate to recommend Senator Small as the most capable and safest of them all. He showed unusual political leadership when he was a candidate four years ago, running a strong third against Mrs. Ferguson and Ross Sterling. The highway department organization succeeded in putting Sterling ahead of Small. West Texas has always stayed with Small. It is predicted that West Texas will repeat in 1934, in spite of the fact that three Wichita Falls men will likely be in the race, Jimmie Allred, C. C. McDonald and Tom Hunter.

Interesting things will happen in Texas during 1934. Pay your poll tax and be ready to vote.

Al Smith fires another broadside at the Roosevelt administration. After sulking in his tent for several months, Smith reluctantly endorsed some of Roosevelt's plans. Then came the broadcast against the recovery program, followed by a decided attack upon the monetary policies of Roosevelt. Sour grapes seem to be the predominate basis of Smith's attack. Having failed as a Democratic leader, Smith should be more charitable to the man who for so long a time followed him as a leader, and who fought shoulder to shoulder with him. The Republicans are very grateful for Smith's criticism of Roosevelt, and will use his material to great extent in the coming campaign.

Mob violence has been rampant the past week. Starting with the California case, mob action has taken the lives of several suspects of crime in various parts of the nation. Criticism centers on the California governor who publicly gave his approval of the lynching. The public will not regret the criminals were punished by death, but it does not approve the method employed. The sheriff whose duty it was to protect the criminals in his charge lies in a hospital, beaten at the hands of the mob, while the governor, whose sworn duty it is to uphold the law, publicly approves the deed of those who laid low the sheriff who was protecting his prisoners. The way of the court house may seem slow in the conviction of criminals. Smooth criminal lawyers and the technicalities of the court may defeat justice in some instances, but the law of the mob is never safe. The will of the mob is never sane. Regardless of slow court procedure; regardless of the abuse of the pardoning powers of governors, law and order should be given a chance to function. If there is a better way than the present, let organized society devise a method, rather than turn law enforcement over to an unorganized mob.

Principals in Weird Killing

Here are closeup character photographs of Earle J. Wynekoop, left, and Dr. Alice Lindsay Wynekoop, prominent woman physician, principals in Chicago's weird "operating table" slaying case. Earle Wynekoop is the 25-year-old husband of Rheta Gardner Wynekoop, 23, whose nearly unclothed body, with a bullet wound through the heart, was found lying on an operating table in the office of Dr. Wynekoop. The case has proved one of the most tragic in police annals of the midwest metropolis.

TODAY, SON SO I'LL DRIVE YOU TO SCHOOL"

Donald: "Mother, it is cold—nearly half of my class was not there yesterday." *Mother:* "Cold weather does interfere with school, Donald, but I'm glad you can get there—thanks to our car." *Donald:* "But, mother, nearly all the other boys who were absent could come in cars but their folks don't even try to use them in cold weather—'cause they can't get them started." *Mother:* "Maybe, dear, they don't use the right gas and oil—that's practically the only difference between our car and many others. Understand, Donald, people are careless—they fail to get *penetrative* oil—found only in Germ Processed Motor Oil made by Conoco. Cold oil, even winter grade, unless it is right, makes it hard for the starter to revolve the motor. Conoco Oil helps motors turn over easily and then the Conoco Bronze Gasoline acts at the first spark and the motor starts at once."

Donald: "Mother, I should think the school board would make all parents use Conoco." *Mother:* "They couldn't do that, Donald, but it would be a good idea if the parents themselves would find out *why* their cars wouldn't start and buy Conoco. And I imagine they would if they knew it would save them money also."

C.C.C. CAMP NEWS

By Nugent L. Lowrey
Company 1828

Since the arrival of the new company of Veterans, there is an increase of activity at Palo Duro State Park. There is a noticeable increase of contentment among the members of the camp. Although they have come from Sargents, Colorado, where snow abounded, they report that no loss of time was suffered from work, and a spirit of cheerfulness at being transferred to this camp prevails among them. Although both groups of Veterans now stationed at Palo Duro Camp had the experience back in July of arriving at a place where they had to build the camp entirely, yet their experiences in work and pastime have been quite different.

The men from Colorado have been building buck fences and thinning timber, thereby doing axe and saw work. They have been under the supervision of Government Forest Rangers. The fences were built to keep cattle off Government reservations, timber being cleared away to prevent fires. Then, too, they were stationed near a town that had a population of less than fifty people, and they are now elated to be near a live business town that is a wide awake college town as well. Due to being so far from a town that had any amusement, they have done considerable fishing and have provided their own entertainments. As a result, they have an excellent orchestra, which it is anticipated the citizens of this section will enjoy listening to.

All four Companies have been providing a few musicians in occasional rehearsals at the Camp Recreation Building, and it is being planned to represent a huge entertainment program composed entirely of camp talent for citizens of Canyon and Amarillo before Christmas. There are men who have had much valuable experience in theatrical work. There is one who performed with Ringling Bros. once for five years in juggling and riding acts that thrilled many an audience, and there are several who once did black face comedian acts in minstrel shows. This program is being planned as a means of expressing the appreciation for the interest so generously shown at this camp by talented musicians and citizens of both Canyon and Amarillo.

Chaplain Gus Ramage, assisted by M. C. Larkin of Company 1824, Lee Crumpton of Company 1821, James Finney of Company 1829, and the writer of Company 1828, acting as a committee, has an excellent schedule of entertainment arranged for the next three weeks. Cal Farley's show will entertain on Friday evening of this week. For next Sunday afternoon, Civic Chorus of Amarillo, under the direciton of Emil F. Myers. There is some assurance that Amelia Earhart will fly out to the camp for a short visit on Thursday afternoon of this week.

Due to orders and regulations just received, several changes in personnel at this camp will take effect in a few days. Captain Edward M. Owens, who has been Commanding Officer of Company 1924, is being relieved by Captain John E. Cardwell who has been Supply and Transportation Officer of Company 1829. Captain Owens will go to Camp Dougherty, Oklahoma.

Sergeant Fred A. Potter, who has been acting First Sergeant of Company 1829, is called back to his Company at Fort Sam Houston. Leader T. O. McCoy will take his place here.

Supply Sergeant L. R. Crowe, who has been with Co. 1829 since its organization at Camp Bullis, is being relieved, and will return to his Regular Army Company at Fort Sam Houston.

Captain Edwards, Commanding Officer of Company 1821, is being relieved, and it is indicated that Captain Gibson, who is now Exchange Officer, will replace him.

Captain Cecil E. Stiles, who is Commanding Officer of Company 1828, is leaving on Friday of this week for a week's visit with his family. During his absence, Capt. Chas. D. Apple will be acting Commanding Officer.

Collection Office For North Part of County in Edgefield

Property owners in the north part of Randall county may pay their taxes to W. L. Lyons at the Edgefield Grocery, 3700 Tyler Street, in South Amarillo. This includes 1934 automobile license as well as poll and property taxes.

The office is maintained for the convenience of those living in the north part of Randall county.

Automobile license plates may be secured during December, but the new 1934 tags are not to be put on the cars until the first of the month.

Red Cross Annual Roll Call To Be Concluded Soon

To the present time 208 Randall county people have responded to the Annual Red Cross Roll Call, according to W. A. Warren, chairman of the Roll Call. When soliciters made a canvas of the county, several persons asked for a little more time, expressing a desire to join the Red Cross for the year, but not having the money at the time.

Mr. Warren hopes to make a final report on the Roll Call before Christmas, and asks that all who have not responded to the Call see him before that time.

UNIVERSITY PRESIDENT TO LECTURE AT COLLEGE

Glenn Frank, youthful president of the University of Wisconsin, is to be in Canyon on February 24 to give an address.

At that date he will be on his way back from a series of lectures on the Pacific coast, and his stop at Canyon will be the only break in his trip.

Besides being one of the foremost university presidents in the United States, Dr. Frank is an editorial writer who is eagerly read by the subscribers of hundreds of papers. In addition he is one of the few lecturers for whom there is constant demand throughout the entire country.

Canyon people are given the opportunity to hear him through the efforts of the College Lyceum committee which has already brought two outstanding numbers to the city this year. These were the Kryl Symphonic Band and the Utica Jubilee Singers who were heard Monday night.

Mr. and Mrs. C. O. Beene of Panhandle were among the out of town people who attended the Utica Jubilee Singers concert here Monday night.

READING FUN IN STORE FOR BOYS

World adventure thrills are in store for readers of The American Boy—Youth's Companion, according to word just received from the editor of youth's favorite magazine. From the Arctic to the jungles of Haiti, and from the plateau of Asia to the lion country of Africa, the editors have charted a course of excitement and fun in the 12 issues of 1934.

Several years ago, The American Boy introduced to its readers the popular, black-haired Jimmie Rhodes, Army aviator. Those who followed his adventures through Brooks and Kelly Field, and with the 94th Pursuit on cross-country hops, target practice, and formation flying, will be delighted to learn that Jimmie Rhodes has returned to the magazine. The new series takes him to Haiti where a revolution is impending.

The American Boy-Youth's Companion, filled with the adventure every boy craves, with the information he needs, and the advice on hobbies and sports he is always seeking, is the ideal present for that son, cousin, nephew, and chum. It's the kind of present that renews itself every month when the mailman lays a copy on the doorstep. Approved by teachers and educators, and endorsed by high school America, the magazine can solve your Christmas shopping difficulties.

The subscription price is $2.00 for one year. Until January 1, you may take a three-year subscription for $3.00, a saving of $3.00 over the one-year rate for three years. After January 1, this three-year rate will be withdrawn. Mail your order direct to The American Boy-Youth's Companion, 7430 Second Blvd., Detroit, Mich. Service on your subscription will start with the issue you specify.

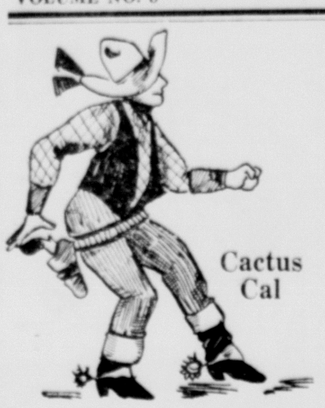
THE EAGLE'S TALE

VOLUME NO. 8 | CANYON, TEXAS DECEMBER 7, 1933 | NUMBER 13



Say Gals:

What do yuh mean lettin' Happy beat you that way? Why I'd be ashamed uv myself. They ain't any better than youall is and you could beat 'em if you'd work hard enough. Oh, you did purty good, but I ain't gonna brag on yuh unless you beat Happy. I wouldn't give yuh a cussin' if I thought that you couldn't do better, but I know you can cause I've seen you when you practice ball in the evenings. Didn't Happy beat the Eagle football boys? Hasn't Happy always beaten the girls' team in basketball? Didn't they win the volley ball games? Sure they did, so what you gonna do about it? Are you gonna let 'em keep that record? Well, all I gotta say is that you'd better not. Do yeh hear? Git in thar and scrap for all you're worth. Pull them Happy Jacks' old long ears, but don't git fouled out. There ain't no sense in playin' that rough. Jest fight clean. You'll have your new suits Friday night when you go to Happy. I'd hate to start them suits off with a defeat—and uv course you ain't—I hope! Down with Boone McClure's basketball gals.

I'm sorry if you didn't enjoy my little sermon, but I'm giving free advice, and you ought to appreciate anything free (I do). This week you gals stay home nites, eat no candy, etc. and see what you can do to them Happy gals at the game Friday.

Here's to you, women!

WAKE UP YOUR LIVER BILE— WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sunk and the world looks punk, don't swallow a lot of salts, mineral water, oil, laxative candy or chewing gum and expect them to make you suddenly sweet and buoyant and full of sunshine.

For they can't do it. They only move the bowels and a mere movement doesn't get at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of liquid bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Gas bloats up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blemishes. Your head aches and you feel down and out. Your whole system is poisoned.

It takes those good, old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, amazing when it comes to making the bile flow freely.

But don't ask for liver pills. Ask for Carter's Little Liver Pills. Look for the name Carter's Little Liver Pills on the red label. Resent a substitute. 25c at drug stores. © 1931 C. M. Co.

Eagle Sextet Lose First Game To Happy Jackets

Canyon high school's feminine cagers suffered defeat in their first game of the season here last Tuesday night, at the hands of the Happy sextet by a score of 32-15.

The Happy squad's having already played two games this season, gave them some advantage over the Eagles.

The Eagles were never able to penetrate the Happy defense with any continued success. Sutton, Happy jump center managed to stay clear of the Canyon guards throughout the game, and scored 18 points to win scoring honors.

Crawford, Eagle forward, held the spotlight on the Eagle offense, with 13 points to her credit. Overton, Eagle guard, did outstanding work on the defense.

Spanish Club Meets At the Home Of Winnie Dee Hicks

On Tuesday, Dec. 5, El Circulo Castellano met for its Christmas program at the home of Winnie Dee Hicks at 7:30 o'clock.

The program consisted of the following:

"Cascabel, Cascabel," sung by the members.

"Los Dios de Navidad" and "Los Reyes Magos" stories told by Billie Bee Flesher and Frieda Lowrie.

"Oid Un Son En Alta Esfera," sung by Laura Ferne Brian, Billie Bee Flesher, Irene Mullins, Frieda Lowrie, Gerald Dean Heath, Mavis Harden and Winnie Dee Hicks.

"Lt Pinata" and "El Dia del ano Nuevo" stories told by Chloe Hall and Rowena Lockwood.

"In Heaven Surely," an American Christmas story told by Winnie Dee Hicks. The program closed with the singing of "Noche de Paz" by the entire group.

After the program, the members enjoyed a short social consisting of games played in Spanish. After the games were played, the members exchanged gifts in the Spanish custom. Refreshments of hot cocoa and marshmallows, pimento cheese sandwiches, potato chips, candy, and cookies were served to sixteen members of the club. After the singing of "Buenos Noches Duenas" the club adjourned.

Freshmen To Have Party Saturday Night In Gym

A party for the Freshman class is going to be given in the Grade School gymnasium Saturday night, December 9.

Progressive games, "42," flinch, and touring are to be played. Refreshments of cocoa, marshmallows, and sandwiches are to be served.

Tickets for the party are being sold by Gwen Byars, Neva Lois Miller, and Marielle Oldham.

Grades For Last Six Weeks Are Above Average

Canyon High School, this six weeks, has had only three straight A cards. These remarkable cards were all made by seniors:

Lee Christine Cousins.
Lorene Mickle.
Marie Price.

The remaining students making the honor roll are:

Seniors: Laura Ferne Brian, Alton Brasuel, Virginia Burgan, Arthur Chambers, Velma Crawford, Armor Lee Greenfield, Lena Wade Jennings, Mary Strain, Patricia Wederbrook.

Juniors: Lorene Bessire, Thelma Bryant, Jewell Chambers, Rubye Foster, Mary May Harrison, Winnie Dee Hicks, Mary Ella Lowe, Anita Kirkpatrick, Margaret Nicholas, Jack Oldham, Robert Orton.

Sophomores: Sarah Bonnie Bourn, Loretta Cole, Mary Ella Davis, Billie Bee Flesher, Hal Gamble, Jack Taylor.

Freshmen: Beulah Brasuel, Evelyn Cluck, C. L. Drummond, Kate Donnell, Billie Louise Greenfield, Sherman Higdon, Marielle Oldham.

It is interesting to know the exact number of "passes" and failures in the institution for every six weeks. For the six weeks just passed, the figures in the different departments are:

Department	Passed	Failed
English	159	24
Hist. & Civ.	136	9
Mathematics	129	14
Science	61	9
Language	28	0
Home Economics	56	9
M T & Mech Dwg.	47	5

Total—11.6% failures.

Faculty Facts

"Well, I was born an old-maid!' Thus Miss Murrell began her life history, when the interviewer found her at her desk in the busy history room.

Her earliest recollection was of the days of the Civil War, or so her American history students believe.

Marie Dressler and Greta Garbo are her favorite movie stars.

Miss Murrell attended Peabody, but she graduated from W. T. S. T. C. She has taught in Missouri, in Plainview, and has been in the Canyon school system three years. She is the instructor in American history, civics, and algebra I. Miss Murrell was the founder and now serves as sponsor of the successful Tawamana club.

Her native home is in Tennessee, and she enjoys summer visits there.

Miss Murrell does not intend to teach all of the time, because she expects to spend her later days in the poor house unless she finds some plan other than that of teaching as a means for a livelihood.

School Costs The Taxpayers $161 Every Day

Did you ever stop to think what it costs to operate the school each day?

For every day of the school year, it costs the takpayers of Texas $161 to operate Canyon High School.

This includes general control, instruction, operation of plant, maintenance, fix charges, and auxiliary agencies. This includes the janitors and truck drivers salaries.

Did You Know?

That R. E. Terry, Olton debate coach is bringing ten debate teams to match George Terry's debate teams tonight?

That C. H. S. girls' basketball team will play Happy girls in a return basketball game at Happy Friday night?

That it is just eighteen more days until Christmas and only fifteen more days until Christmas holidays?

That ten Canyon debate teams will go to Olton to return the match, Tuesday night?

That the Freshmen are going to have a party in the gymnasium Saturday night?

Irene Mullins spent Thanksgiving in Bushland.

Olton Debaters To Meet Canyon Here Today

Olton depaters are coming!

Twenty Olton debaters are expected in Canyon today, at about three o'clock.

At four o'clock, five Olton debate teams will meet five Canyon debate teams, on the subject: "Resolved: That the United States should adopt a system of regulation and control similar to that of Great Britain."

At five o'clock, five more of the Olton teams will meet five more Canyon teams.

At six o'clock, the forty debaters, their coaches and guests will have supper in the Home Economics dining room.

At seven o'clock, Armor Lee Greenfield and Rosa Cash, who have been chosen to represent Canyon girls will debate the girl representatives from Olton. At the same hour Jack Oldham and Bob Orton, representatives for Canyon boys will meet Olton's representatives.

The judges will be ex-Canyon high school debaters.

Next Tuesday, Canyon will go to Olton, and carry out the same schedule that will be used here. Their judges will be ex-Olton debaters.

Few Birthdays Celebrated In Xmas Month

There are not many birthdays in December, but one freshman girl, Gwendolyn Byers, slipped up on everybody and celebrated hers the first day of this month.

Woodrow Hicks, freshman is the 28th, and his senior sister, Ellen Hicks, celebrates hers just five days earlier, the 23rd. Faye Plaster, freshman, and Trixie Jackson, junior, are "twins," for both have birthdays the 22nd. Bill Cone, junior and Tennie Dora Brooks, freshman, are also "twins." The 15th is the day they celebrate.

Two other freshmen who have birthdays in December are Ruble Rhodes and Lester Clounch. Their birthdays are the 18th and the 27th respectively.

One sophomore boy, Jack Neal Jennings, has a birthday the 14th of the month and Ernest Duncan, senior boy, has one the 11th.

A junior girl and boy, Gladys McBride and Lawrence Fulton, remember the 16th and 17th respectively.

New Basketball Suits Received By Girls' Team

The Canyon High School girls' basketball team received ten new suits Friday morning. They will play in these suits Friday when they meet the Happy Jackets. The old suits had purple trunks and white shirt, but the new ones are all purple. The shirts are made of sateen and the trunks of poplin. A white felt number is on the back of the shirt, while on the left side of the front is a white, felt "C."

School Lunches Demonstrated For Fourth Grades

A most interesting hour was spent in the home economics laboratory Wednesday afternoon when girls of the home economics III class demonstrated for Miss Erin Gamble's 4th graders three different kinds of school lunches. Miss Fannie Sue Brasuel's class has been studying nutrition and Miss Gamble's class has been studying school lunches for children.

Helen Hardman demonstrated a lunch for an overweight child. Patricia Wederbrook, one for an underweight child; and Robbie Foster, a lunch for the normal weight boy or girl.

After the discussions, the children who were overweight, underweight, and nearly normal, were given samples of the lunches prepared for their group. Both classes enjoyed this group meeting.

Grade School Has Joint Program In Study Hall

On Wednesday, Nov. 29, the entire Grade School met in the study hall for its annual Thanksgiving program.

Each home room contributed that part of its home room program for the month of November that it considered the best and of the most interest to the other members of the school. The general theme of the program was, of course, Thanksgiving, and each program proved to be very satisfactory.

In addition to this joint home room program, each grade met in its own home room and had a separate meeting.

Bill Cone spent Thanksgiving in Dimmitt.

Frieda Lowrie spent Saturday in Amarillo.

WHY WOULD GIRL SCOUTING BE BENEFICIAL?

Have you ever thought why being a Girl Scout would be beneficial to a girl? Probably the reason a girl wishes to be a Girl Scout is because she is with a group of girls who can be trusted, who are willing to help others at all times, who are friends to animals, and friends to all. The aim in the life of every true Girl Scout is to grow up to be a woman who will be known far and wide for her friendship, her truthfulness, and her unselfish love for others. Girls enter the organization who are friendless. Girls enter this organization who have no loving father or mother at home for a guide. Girls enter who seemingly have no talent for or interest in any phase of life. Girls enter who are pessimistic. But—there they find friendship, someone who will advise and guide them through their age of adolescence; there they gain an ambition; and after being in this organization for a time they can see something beautiful in everything and everyone. They also find various kinds of work to be done. They grow to be dependent, and seem to discover themselves and their place in life.

Girls, do not ever become a Girl Scout unless you intend to be true blue; unless you intend for it to mean something to you.

The new Randall County Relief Committee was sworn in Wednesday night of last week by Judge S. B. Orton, and took over the Relief and CWA work of Randall county.

Judge Orton left Wednesday night for Austin where he submitted a number of projects for work to the State Relief Commission, approval of which was received. Under the new law the projects must be approved by the County Commissioners Court, the City Commission if the projects are in the city, and the County Relief Committee. They are then taken to the state office at Austin.

The new county committee was appointed three weeks ago by the commissioners court under the terms of the new law, and was approved by the state commission at Austin two weeks ago. The members took the oath of office so as to take charge of the local work on December 1st.

Officers of the committee were named as follows:

J. H. Cox, Jr., Chairman.
W. H. Stroud, Secretary.

PHILLIPS 66 MOTOR OIL

For fastest cold weather starting, get the gasoline with the highest gravity. (*See figures at left which prove how high the test of Phillips 66 is.*)

Even on days below freezing, you need step on the starter just once! That is enough for this super-volatile motor fuel to snap your icy motor into instant action.

You marvel at the lack of sputtering and coughing . . . at the smoothness of the engine so soon after starting. You get that feeling of flexible power, that zip and get-away, which have made Phillips 66 the most sensational success in the highly competitive oil industry.

Your first experience with a cold, balky motor will probably send you searching for a gas station which sells Phillips 66. But why wait until you actually have starting trouble?

Remember: as the thermometer drops, up goes the gravity of Phillips 66. Week by week, its high test is adjusted to the weather wherever it is sold. That is how the Phillips method of CONTROLLED VOLATILITY protects you against loss of starting speed, against loss of power and mileage, as your weather grows colder.

Phillips extra high test does not cost a single cent extra, because Phillips is the world's largest producer of natural high gravity gasoline. Let the first Orange and Black shield, which you see, remind you to get a trial tankful of this *greater gasoline.*

C. R. Byram, former superintendent at the Palisades, moved to the Palo Duro Saturday with his engineers. These men were placed under the direction of Mr. Miller in construction work at the Palo Duro.

Just what will happen at the Palisades is yet unknown. At the request of the citizens' committee, the improvements were turned over to the State Parks Board last week, and Mr. Miller took charge of the camp. However, additional orders were received Tuesday to dismantel the plant. Congressman Marvin Jones was asked to use his influence in Washington in order that the camp equipment would remain.

D. E. Colp, chairman of the State Parks Board, notified Clyde W. Warwick yesterday that he expected to make an inspection of the Palo Duro within two weeks, accompanied by Major Guthrie of Fort Sam Houston.

The road into the Palo Duro was opened Thanksgiving. Saturday and Sunday to visitors. It was estimated that more people drove into the canyon on those days than made the the trip on the opening day. People were here from every section of the Panhandle, and were greatly impressed with the work being done on the Park. The road will be opened to traffic every Sunday and thousands of people will pay the Palo Duro a visit on these days.

Town Personality Shown by Citizens Says Fronabarger

Dr. B. F. Fronabarger, Jr., spoke Tuesday at the luncheon of the Rotary Club, discussing personalities. He was introduced by Levi Cole, chairman of the community service committee.

Dr. Fronabarger stated that towns have personalities which may readily be seen through the citizens of the community. The personality of a town is usually maintained through its various agencies, its health as reflected by its doctors; its spiritual, as reflected thru its preachers; its business as reflected by its Chamber of Commerce. The Rotary club gathers in the leaders in the professions of the community. The club will be happy in its work when it has a definite field of activity.

Dr. Fronabarger is greatly interested in vocational guidance. He believes that every business man should have books on his vocation which may be given to young men. Today young men are discouraged with the outlook in various vocations, and should be encouraged by business leaders. Business and professional people should tell the young people the advantages of their professions.

Rev. J. O. Quattlebaum and Donald Trolinger were introduced to the club as new members.

J. H. Cox, Jr., and Dr. Harry Brown announced the charity show given Tuesday night, and urged that the citizens give toys to the American Legion for distribution to the poor children of the community.

Visitors present Tuesday were H. Grady Persons of Amarillo, Sheriff Bob Barnett and Dr. Fronabarger.

Coach Al Baggett To Make Basketball Schedule Saturday

The 1933-34 basketball season for the Buffaloes opened Monday afternoon with a large number reporting for practice.

Four squadmen from last year's team are back this year. Of these four only two were rated as regulars last year. These two were Russell Stroud and Guy Richards. Stroud, a forward, is the tallest man on this year's squad.

Richards plays either forward or guard. John Walker and "Cow" Williams are also veterans. "Big John" was substitute center and "Cow" was guard last year.

Several of last years freshman squad hope to make the team Of these, we have McMinn, McElroy, Boedeker, Reams and Phillips making the strongest bids for positions on the team.

No schedule has yet been made but Coach Baggett and Registrar Shirley will leave Friday for Dallas where they will attend a meeting of college coaches Saturday and outline the season's schedule.

Plans are in view, says Coach Baggett, for one of the stiffest schedules in the history of basketball at W. T.

Absent from the squad will be Fortenberry, Comer, Colvin, Monroe, Morris, Burk, and Fitzgerald, men whom it will be hard to replace, according to fans. However, from the present outlook it seems that the Buffaloes are in for an unusually promising season.

Mr. and Mrs. A. H. Bryant spent Sunday in Dimmitt at the home of their daughter, Mrs. Guy Alford. They were accompanied by Terry Mayben and family.

Students Take Test on Medical Aptitude Given by Dr. Pierle

Six young men met at the College Wednesday afternoon to take the Aptitude Test which is given annually under the direction of the Committee on Medical Aptitude of the Association of American Medical Colleges.

The test was administered by Dr. C. A. Pierle, head of the Chemistry department. The purpose of the test is to discover young men who have special aptitude for the study and practice of medicine, since most medical schools now limit their enrollment and it is desirable to have the best young men available chosen to become members of the profession.

Those who took the tests were Malcolm Wyatt and John Wesley Makeig of Amarillo, and Albert Schofield, William Durham, Fred Steele, and Robert Rowan, students of the local college.

Mrs. C. H. Dillehay and children of Hereford spent Sunday at the L. F. Sheffy home.

Mrs. Nancy McCaslin was a business caller in Amarillo Monday.
